

# The Future of Coastal Conservation

**Date:** Wednesday, November 14, 2007

**Location:** Darling Marine Center, University of Maine, Walpole

**Directions:** <http://www.dmc.maine.edu/travel.html>

**8:45 am:** A light continental breakfast will be available.

**9:00 – 9:15am: Welcome**

**9:15 am to 12 noon: Exploring Conservation Collaborations – A Discussion In the Round**

*The future of coastal conservation involves a greater and greater focus on partnerships. Come and participate in a special discussion exploring the experiences of land trusts and municipal partners engaged in strategic conservation and organizational collaborations. Moderated by Dave Platt, the discussion will include representatives from the Mt. Agamenticus to the Sea Conservation Initiative, Sagadahoc County and the Georges River Land Trust.*

**12:00 – 12:30pm: Network with colleagues for an informal, relaxed lunch**

Join us on Nov. 14th  
Register Now!

**12:30 – 1:00pm: The “New” MCPI**

*At the end of 2007 the Land Trust Alliance and the National Oceanographic and Atmospheric Administration (NOAA) will be stepping back from leadership roles within MCPI. Come learn about the new structure and priority activities for MCPI over the next three years.*

**1:00 – 2:30pm: Celebration!**

*Join us in celebrating 3 years of MCPI success and the launching of a new phase of MCPI. Join Jay Espy, President of the Maine Coast Heritage Trust, Mary Pope Hutson Executive Vice President of the Land Trust Alliance and Tim Glidden Director of the Land for Maine’s Future Program in discussing the future of coastal conservation both in Maine and across the country. With a special video message from Margaret Davidson, Director of the NOAA Coastal Services Center.*

**Register by November 9<sup>th</sup>!!!**
