If you do not have time to craft a letter, let us help! To show support for the importance of coastal land conservation, please take a moment to answer the following questions, and mail/fax/email it to the above address/number. **We will put your answers into letter format and send it back to you for your letterhead and signature.**

Yes, my organization is supportive of the goals of the Maine Coast Protection Initiative!

Name and address of your organization:

Name & title of representative or staff person who will sign a Letter of Support for MCPI:

Please briefly describe the mission and/or primary goals of your organization.

Please describe your organization's perspective on the importance of coastal land conservation in Maine and the relevance of MCPI. Include issue(s) of top interest to you.

Tell us, if appropriate, how your organization intends to be involved in the implementation of the MCPI goals. Examples include: committees, projects, task forces, meetings and events, and other forms of participation of interest.
